

## RUBY WEDDING NIGHT IN ROME

**The brief:** To organise an unforgettable 24 hours in Rome for private clients celebrating their ruby wedding anniversary whilst in dock on a European Cruise.

**Our Solution:** To ensure a luxury experience with a night at Ferragamo's boutique hotel Portrait Suites in Rome and special arrangements to make the best use of the time available.

**Those all important extras:**

- Chauffeur transfer from Livorno docks to leaning tower of Pisa and train to Rome.
- Dinner reservation in Campo dei Fiori at a rustic restaurant.
- Breakfast served with views to the Santa Trinita dei Monti.
- Private chauffeur transfer to Etruscan necropolis at Cerveteri for a guided visit followed by lunch in a wonderful local restaurant opened just for our clients.

*"We didn't realise there were companies out there that would provide such an unique experience for the short period of time we were in Rome, it was truly special and to have the restaurant exclusively to ourselves...Unforgettable".*
