

ENGAGEMENT IN VENICE

The brief:

We were approached by a private client to organise that all-important moment; his marriage proposal to his fiancée in Venice.

Our Solution: The ultimate romantic weekend in Venice staying on an island in the lagoon at the luxury 5-star San Clemente Palace, in a deluxe room with view over Venice.

Those all important extras:

- Friday and Saturday nights in a deluxe room with view over Venice
- Water taxi arrival along the Grand Canal
- Luxury launch for exclusive tour of Venice with champagne
- Concert and dinner reservation
- Good and bad weather options for Sunday
- All restaurants booked in advance, with best tables available.
- Personal contacts provided at all restaurants.
- Concierge service throughout.

"I couldn't have wished for a more perfect proposal! We had the most amazing time from start to finish with every detail and eventuality considered."

Rosanna B. - **Engagement in Venice**, October 2006
