

BIRTHDAY WEEK IN TUSCANY

The brief: A private client wished to celebrate her 60th birthday with 24 friends and family for an unforgettable week in Tuscany.

Our Solution: A large hill-top villa close to Siena on a hill-top with stunning views over vineyards. The villa was staffed, with dinner and breakfast provided daily on request. Guided trips were provided to Siena and Florence. We hosted a fancy dress party, wine tasting at the villa and mystery day on the island of Elba with two chartered yachts. The big day ended with a cocktail party with Jazz, and a wild boar dinner prepared by local chefs accompanied with magnums of Chianti.

Those all important extras:

- Inspection visit to confirm the choice of venue.
- Group transfers for entire party.
- Shopping list prepared and villa stocked in advance of party's arrival.
- Excursions to nearby Siena and Florence.
- Lunch party at an excellent seafood restaurant in Siena.
- Yacht charters to Isle of Elba with champagne lunch on board.
- 3-piece Jazz band and cocktails.
- Magnums of vintage Chianti and decorations for celebration dinner.
- A member of staff from Tastes of Italy was with the group for the week.

"What can I say other than you were quite right. I did have one wonderful birthday week...and I am delighted to have provided the get together at such a wonderful venue. You looked after my guests' concerns without me knowing about it at the time. Very professional we all thought."
