

70TH ANNIVERSARY IN APULIA

The brief: a private venue for a family of 29 persons for one week in Italy. As well as suggestions for memorable days out with the family and the organization of a party, our client wanted to ensure plenty of distraction for the children.

Our Solution:

The family took over the 17th century patrician estate of Masseria Marzalossa in sunny Apulia close to sandy beaches. Tastes of Italy stocked the cellar and put together a detailed itinerary for seven nights. This included a morning on fishing boats with wonderful lunch, wine tasting, picnic among the olive groves, cooking lessons, go-karting, horse riding, beach picnics, make-your-own-pizza night and of course a memorable party for the whole family.

Those all important extras:

- Organisation of anniversary party at the residence.
- Hire cars delivered to the residence for 4 days, coach for excursions and transfers.
- Organisation of meals including picnics by beach and in the olive groves.
- Wine tasting, cooking lessons, go-karting, horseriding and bicycles arranged.
- Excursion by fishing boat with seaside lunch at Polignano a Mare.
- Make-your-own pizza night.
- Wine cellar stocked in advance.

“Everything went off splendidly – the location, the ambiance, the welcome, the activities, the staff & the weather all combined to provide us with a memorable week.”

Leonard M. Anniversary Celebration in Apulia May 2008
