

## TORTELLINI FESTIVAL

**The brief:** To organise a *foodie* break in Italy for the UK [Guild Of Food Writers](#).

**Our Solution:** A 3-night break to the amazing Tortellini Festival near Mantua - a fabulous feast for over 5000 diners. We organised VIP seats ideally positioned below the castle for the firework display, a cooking lesson with celebrity Italian chef Gabriele Ferron, the 'King of Risotto', and a day discovering the fine *Amarone* wine and olive oil produced in the Valpolicella.

**Those all important extras:**

- Private opening of the Dukes Palace in Mantua.
- Cooking lesson with Italian chef Gabriele Ferron ('King of Risotto').
- VIP seats and dinner at the Tortellini Festival.
- Day with wine and olive oil producers in the Valpolicella.
- Private driver and Tastes of Italy escort.

*"Please accept my warm thanks for all your efforts on our behalf during our foodie break...It was a truly wonderfully organised trip and it could not have been better."*
