

CONFERENCE ON LAKE MAGGIORE

The brief: To organise a two-day, three night conference in luxury surroundings for Japanese electronics specialist Asahi Kasei EMD within budget for thirty delegates from across the globe.

Our Solution: We arranged two nights in Stresa on beautiful Lake Maggiore at the luxury 5-star Grand Hotel Iles des Borromees. Our solution provided the client with necessary flexibility to extend or reduce the delegate list, plus concierge service to ensure peace of mind for the client and their guests.

Those all important extras:

- Complimentary pre-booking service for taxi transfers
- Hire of specialist equipment for meeting
- Excellent lunches on meeting days
- Boat excursion to a palace and wine tasting on Isola Pescatore
- Gala dinner on island
- 24-hour Concierge service throughout

“Service distinguishes Tastes of Italy. It was a great venue on budget! Our delegates who flew in from across the globe were delighted and the conference a success. Tastes of Italy responded to every requirement and got it right.”
