

TEAMBUILDING IN LAZIO

The brief: To create a teambuilding weekend for 75 staff members that had a number of different elements, combining a day's meeting, fun team events in the beautiful Roman countryside and Rome itself, plus a fabulous party.

Our Solution: The result was a three-night experience staying at the 4 star Grand Hotel Terme di Stigliano, Hotel and Spa. After a day working on Friday, a private dinner dance was held with a wonderful panorama over Lake Bracciano. On the Saturday the party accepted "Caesar's Challenge": a treasure hunt around Rome, which led our 12 teams to one of three restaurants. The winners were announced at the Gala dinner that evening, where attendees could only wear ancient Roman costume, in celebration of Rome's official birthday! The final day began with a mountain bike exploration through the heart of the Unesco World Heritage site of *Tarquimia*, including a special opening of one of the tombs, before a BBQ in the warm spring sunshine.

The Trip was escorted from London by one of Tastes of Italy directors.

"It is my pleasure to recommend Tastes of Italy. My partner and I run an innovative IT company in the UK. Every year we take the whole company away for a team building trip which, as you can probably guess, is a day's hard work followed by non-stop fun. This year we had around 75 with us. We have done this every year for the last 10 years or so. I can tell you without hesitation that the event organised by Tastes of Italy was the BEST YET"
